BlueGranite recognized as a Power BI Finalist for the 2021 Microsoft Partner of the Year Awards

[Portage, MI], [USA] — July 8, 2021 — [BlueGranite, Inc.](#) today announced it has been named a Power BI Finalist for the 2021 Microsoft Partner of the Year Award. The company was honored among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

Matthew Mace, Founder and CEO at BlueGranite, gave the following statement, “It is an honor to be recognized within the Microsoft partner ecosystem for our work with clients to deploy Power BI at scale. Power BI is a critical component of the all-up modern analytics strategy we promote, helping clients use data as a competitive advantage to rebuild and grow in this post-pandemic economy. We’ve seen Power BI evolve from an Excel add-in to the leading Analytics and Business Intelligence Platform, with its completeness of vision and ability to execute. It’s been a thrill of a ride! Thank you to all our clients and to our friends at Microsoft for your continued partnership!”

The Microsoft Partner of the Year Awards recognize Microsoft partners that have developed and delivered outstanding Microsoft-based solutions during the past year. Awards were classified in various categories, with honorees chosen from a set of more than 4,400 submitted nominations from more than 100 countries worldwide. BlueGranite was recognized for providing outstanding solutions and services in Power BI.

The Power BI Partner of the Year Award recognizes a partner that excels at providing innovative and unique customer solutions based on Power BI. The successful entrant for this award will have demonstrated consistent, high-quality; predictable service to Microsoft customers, helping to ensure significant business benefits from their Power BI investments. The successful nominee will also demonstrate business leadership and consistent customer success, with strong growth in new customer additions and cloud revenue while maintaining and growing their existing customer base.

“I am honored to announce the winners and finalists of the 2021 Microsoft Partner of the Year Awards,” said Rodney Clark, corporate vice president, Global Partner Solutions, Channel Sales and Channel Chief, Microsoft. “These remarkable partners have displayed a deep commitment to building world-class solutions for customers—from cloud-to-edge—and represent some of the best and brightest our ecosystem has to offer.”

[BlueGranite's Catalyst for Modern BI Quickstart](#) is a collection of techniques, approaches, and tools designed to ensure a well-architected solution and foundation for Modern Analytics.
